4. PORT FEES

4.1 Port call fee

The port call fee is the vessel's payment for the use of the fairway and is payable for each call within the port district. The port call fee is collected by the public port authority, or by the terminal operator on its behalf, in accordance with the applicable rates in force at any given time.

4.2 Berth Rental

Berth rental is the vessel's payment for the use of quays owned or managed by Westport. The vessel's time alongside is calculated from the moment it berths until it departs, including any time spent shifting to another berth. Westport reserves the right to instruct the vessel to shift to other quay areas, at the vessel's own cost and risk. Berth rental is collected from the vessel agent or representative upon invoice issued by Westport.

Vessel	Unit	Price
Vessels under 70 meters	Per day	6 006,-
Vessel 70-150 meters	Per day	8 579,-
Vessels over 150 meters	Per day	12 895,-

The minimum berth rental is NOK 6 006,- per day.

4.3 ISPS Fee

At security level 1, an ISPS fee of 30% of the berth rental will be charged.

4.4 Cargo dues

All goods passing over Westport's port facilities are subject to cargo dues, calculated based on the weight of the goods in metric tons (M/T).

Cargo dues are collected from the shipping company, or from the vessel agent or freight forwarder, upon invoice issued by Westport. The shipping company or its agent is responsible for ensuring that Westport receives a copy of the vessel's manifest or cargo list containing the necessary information regarding the consignee/shipper and the cargo's dimensions and weight.

Westport AS may require that cargo dues be paid in advance of the vessel's loading or discharge operations.

Varetype	Unit	Price
Cargo dues	Pr M/T	48,77
Transshipment fees	Pr M/T	48,77
Cargo dues wheeled units	Pcs	137,-
Other		By appointment

4.5 Storage of goods

Storage of goods within Westport's premises is only permitted in designated areas and subject to prior approval from Westport.

Goods left or temporarily stored on Westport's quay areas beyond the agreed period will be charged as follows:

Between 2 days and 30 days	Per m ² per day	28,35
Beyond 30 days	Per m ² per day	421,-

Long-term storage outside the quay area is subject to separate agreements.

4.6 Delay and Cancellation Fee

Gang ordering procedure

1. Lines must confirm vessel ETA and gang request by 12:00 on the calendar day prior to operations. More advanced confirmation is required for vessels arriving on public holidays or on the day following a public holiday. Gang orders for vessels arriving within contracted and agreed berthing windows will be confirmed by 14:00 on the business day prior to operations. Gang orders for vessels arriving outside of agreed windows will be provided as soon as appropriate labor can be identified. Cancellation of confirmed Gangs: Cancellation of gangs after gangs are confirmed are subject to the following cancellation charges, if outside agreed berthing window:

Type	Unit	Price
Regular time	Pr cancellation	10 310,-
50% overtime	Pr cancellation	15 465,-
100% overtime	Pr cancellation	20 620,-

Documentation and Cargo cutoffs/Electronic communication

1. For services or operators that cannot provide COPRAR files, a fee per vessel call will apply. Failure to send information prior to the cutoff (12 hrs) may result in delayed start of operations and associated waiting time charges. Export booking information must be supplied via COPARN messages or alternatively manual updates via Westport AS customer portal.
